EDUCATION

Thomas A. Edison Career & Technical High School
Queens, NY
Graduation Year: June, 2027

PROFESSIONAL EXPERIENCE

Service at a Gurmikh Camp where I volunteered to teach Punjabi and Sikhism to children.

Guru Nanak Darbar (11 S Broadway - Hicksville, NY 11801)

Motivated high school student with experience in collaborative projects, technology, digital design, and problem-solving. Strong communication, teamwork, and organizational skills. Eager to gain professional experience, develop new skills, and contribute positively to a workplace.

Finalist In The Infy App Challenge | December 2025 - June 2026

Leader

- **Collaborated with a teammate to develop a prototype for an app connecting students with community service opportunities.**
- **Used Figma to design the app's layout, interface, and overall user experience.**
- **Developed features including an interactive map and filters to help users find relevant volunteer opportunities.**
- **Contributed to project planning, video production, and presentation of the final prototype.**
